THIS!

What are you doing? I said not to read this. Are you still here? Hmm. Perhaps you have got what it takes...

Whilst rules are useful, it's also important that we question ones that don't make any sense. This is one of the many things UNISON does every day. Being a member of UNISON gives you a voice, access to legal advice and many other benefits. Plus if you want to get more involved you'll get paid time off for training and open up a whole world of new opportunities for personal development. Do it today!
